RE: POTLATCH TELEPHONE COMPANY'S ADVICE LETTER 13-04 TO
ADD MARKET A & B TO THE SECURITY LINE BUNDLE PRICING.

On August 22, 2013, Potlatch Telephone Company ("Potlatch") filed Advice Letter 13-04 to revise the Security Line Bundle. This is a residential service bundle for customers who have telecommunications service with a wireless provider, but wish to have a basic access line for back-up and emergency service and high speed data access. With this filing, Potlatch adds two pricing components, Market A and Market B, to the Security Line Bundles associated with digital subscriber line (DSL) service. Existing customers will be charged the same rate, but new Market B customers will pay a higher rate. Potlatch requests an effective date of September 19, 2013.

STAFF ANALYSIS

Staff has reviewed the filing and recommends Commission approval with the requested effective date.
